Introduction

DSB International School is a not-for-profit, co-educational day school with students and teachers from over 20 countries. Founded in 1961 as DSB (Deutscher Schulverein Bombay), it acquired an international section teaching in English in the year 2000. Today the international section is a K-12 school offering the English National Curriculum (till grade 8), IGCSE (grade 9 and 10) and the IB Diploma (grade 11 and 12). The German section still offers a German curriculum up to grade 8 and learning the German Language is compulsory for all students up to grade 8.

COVID-19 and DSB International School

The campuses were closed in March 2020, but online teaching and learning have carried on uninterrupted at DSB International School throughout the pandemic. Secondary students continue to study according to their daily timetable and the schedule of periodic tests and exam schedules are followed. The school opened briefly in February and March 2021 for students of grade 9 to 12 but was forced to close again due to rising Covid cases and lockdown in Mumbai.

Students' achievement grades for the end of grades 9 and 11 (June 2021) were based on a combination of the students' performance in final exams (presented in invigilated online sessions) and their achievement against assessment criteria in other learning activities through the year.

Standardised Testing was not conducted in Mumbai between March 2020 and Fall 2021 due to closure of test centres.

All schools in India were mandated to follow the non-exam route on short notice and neither IB exams nor IGCSE exams were conducted in person.
